Common URP&HDRP Guide Paper

1.Distort Remove Patch (all HDRP URP - 2020, 2021, 2022 need to this patch)

Unfortunately, URP&HDRP Render space not support Distort Effects(GrapPass). For fix this, You need to patch.

You can find this patch.
'SpecialSkillsEffectsPack/Patch/Prefebs/OriginalEffectsPrefebs(WithoutDistort).unit ypackage'

Just double click this package and patch. After this patch, You can not see _GrabTexture errors in your URP projects.
